ABOUT ME

Hi I'm Sarah. I am a UI designer and I love the work that goes into designing apps and websites. I've been painting since I was a kid and being able to incorporate my love for art and creativity into a career has been very fulfilling.

SKILLS

Tools

Practical

Adobe XD Frontend development

Figma UI/UX Design

Adobe Illustrator Branding/Illustration

Wireframing/ prototyping/ mockups In.Vision

Slack

EXPERIENCES

The Color Express 2021 (seasonal)

Art Teacher

Taught large groups of children ages 6-12 how to paint and draw. This was a valuable experience to gain practice at communication and problem solving.

Rockland Pediatric Dental 2018-2019

Office Support Assistant

Worked as a floater to support all office needs. which included desk duties, such as greeting the patients and answering phones. Helped in filing, and appointment organization. Practive support included: sterilizing equipment and setting up patient rooms. it was a great opportunity to learn to be helpful and find way to support the team without being asked
